As an experienced Director and one of only ten dual Master Pros in the world, Ken has led one Northern

California tennis club to achieve PTR National Club of the Year, and yet another to USPTA NorCal Club of the Year. This experience also lends itself to Ken's approach to managing a multi-use facility. He believes in a balance of court time for social matches, league play, lessons, clinics, and social events.

Manny was a nationally ranked juniors player before switching to his true passion – coaching. He became USPTA 1 certified in 1997 and the following year, he was named the USPTA NorCal Rookie Pro of the Year and obtained his USTA RTC level II certification. AVAC has been his home since 2006 where he has had the pleasure of coaching many of you for several years. He is also proud to have led the AVAC junior boys' team in two consecutive undefeated years in the Gar Glenney Cup.
